

World Environment Day at ICAR-NBSS&LUP

ICAR-National Bureau of Soil Survey & Land Use Planning observed “World Environment Day” in a befitting manner on 5th June, 2020 by organising scientific group discussion through webinar involving all the Scientists at Hqrs. Nagpur and its five Regional Centres located at Bangalore, Delhi, Kolkata, Jorhat and Udaipur. Dr. P. Chandran, Director (Acting) initiated the event by discussing about anthropogenic impact on environment in general and on agriculture in particular. Young scientists, Dr(s). G.K. Sharma, Lalchand Malav, and Ms. Kartika made lead presentation(s) on present scenario of environment. Positive and negative effects of Covid 19 pandemic were also discussed.
