

Dr. S.K. Chaudhari, DDG (NRM), ICAR interacted with the scientists of ICAR-NBSS&LUP, Nagpur

Dr. S.K. Chaudhari, DDG (NRM), ICAR visited ICAR-NBSS&LUP, Nagpur on 8th December, 2020 and interacted with the scientists. While interacting, he emphasized the flagship programmes of land resource inventory and land use planning. Highlighting the expectations of ICAR and other stakeholders from ICAR-NBSS&LUP, he stressed upon the need to speed-up the land resource inventory activities to cover more areas in the stipulated time by using geospatial technologies. He also emphasized to speed-up the development of land use plans at different levels to cater the needs of planners and policy makers.
